

YTP Yellow w/ Tension Pole

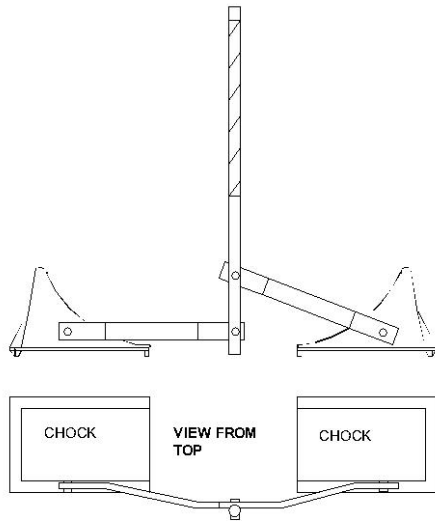

MODEL 1210314300

Wheel Chocks

HGS-YTP paired **Yellow chocks** hold heavy trucks steady on site. Chocks are bright, light, and strong. These paired chocks conveniently hold heavy over-the-road trucks in place when in the yard or at the jobsite.

HGS-YTP paired **Yellow chocks** are easy to place and secure on one wheel. Pole handle easily moves to adjust the position of the chocks to both sides of one tire.

- **MATERIAL:** Cast Aluminum
- **SIZE:** 30"H x 8.25"W x 44"L
- **WEIGHT:** 15 lbs.

MATERIAL SAFETY DATA SHEET
